<b>New Events</b>	<b>Actions</b>
Possible new events were then put forward by all committee members. All decisions are subject to ratification by the Management Committee.	
A forties' themed VE event/celebration for the 8 May was discussed. The Gin Festival is on this day and it was decided to hold a combined event.	Gary Oliver to organise Gin drinks/tasters etc. The committee to ask Glenn about an in house disco and Tish about food.
Mick said that cricket is played on the field May – September and football is played October - April. Cricket is played every Saturday and Sunday over summer. Both sports get first refusal on the use of the field limiting its use for other activities. It was felt that the cricket could be advertised more, to hopefully bring in spectators and money for the bar.	Robin to ask Andy about advertising.
Gaming night – x-box themed	Chris Kirschner
Open night on microphone	
Craft sale	
Karaoke	
Halloween on 31 October: Fancy dress with a family prize	

Night with singers/acts from London	Hannah to consider
Open air film night	Steve checking licence arrangements
Stars on stage	
Custom car show with camping – all weekend but not till 2021	Steve Mobius
Open night – bowls, pool, darts, dominoes, cribbage, cards and “pub games” e.g indoor quoits, skittles, shove ha’penny and shuffleboard. The ideas being to recruit new members to existing teams and to create new teams/leagues/competitions.	
Board/card game event – for kids so Sunday afternoon preferred. Junior Monopoly, Junior Scrabble, Happy Families, Jenga.	Mike Sutherland
Fridays – free pool with a killer tournament	

<b>Food at events</b>	<b>Actions</b>
It was felt important to have food at all events including regular football and cricket matches. Keeping the catering in house should help with profits but outside catering e.g. Burger van could also be used.	

<b>Any other business</b>	<b>Actions</b>
None
